## March 2009

### Annual Meeting 2009

The Annual Meeting will be held on March 27, 2009 @ 7:00 p.m. Grantsburg Rod & Gun Club. Please attend as this is the meeting where your voices are "heard"!!! We will draw for trap league spots (same as last year "team order".) Rules will be discussed as general business regarding trap/skeep information. Your team needs to have a designated Captain and your team name as well as the fee to pay for your sponsorship (\$35.00 per team) to be able to shoot trap as a team this year. We have always had 16 teams in the past and this is crucial to make the squads run properly according to the schedule and time constraints. Your input on this night is very, very important! Please make sure you have your Captain present and members from your squads. Also, make sure your team pays the sponser fee required to shoot trap this year as a team. If your team has been on the schedule in the past and you do not wish to have a team this year, the club needs to know. Please contact one of the board members immediately so your team can be filled appropriately. Thank you!

### First Practice Night

OK Ladies and Gents! Are you ready? Do you have your trap aim in order? Here's your chance to make sure! Our first practice night will be held on Thursday, April 2, 2009. The practice usually begins 5:30 – 6:00 p.m. and closes by 9:00 p.m. (sometimes sooner depending on turnout.) Minimal fees apply for shooting. Bring your trap/shotgun and give it a go! The practice nights will run on Thursdays from April 2, 2009 until the end of the season (usually the end of August.) Come and give your game!!!

### TRAP LEAGUE STARTS!!!

Here we go actually discussing Trap Season once again!!! Trap league will begin on: Monday, April 20, 2009 (5:30 p.m. for the first team!) At the Annual Meeting we will pick orders of teams so each team will be assigned a number for the schedule. As you know in the past each team who was assigned a number was placed on the schedule and this is when their team shot throughout the year. Your team also had one work night throughout the season. This is also determined according to your team number and where that falls within the set schedule. Captains generally draw the number for their team, so make sure your captain is present at this meeting. The traps rounds for the year will be \$4.00 for a total of two (\$8.00 per evening.) There are new membership forms out there that the board has devised. Every member will NEED to fill out this form per liability insurance requirements. PLEASE GET YOUR MEMBERSHIP FORMS IN BEFORE SEASON! (The earlier the better...Kerri appreciates this!) Thanks everyone! Another note: Our Skeet Range Trustee is Dean Josephson. Thanks Dean!

### CONDOLENCES

We are truly sad and we will miss our dear friends Jake Lysdal and Delbert Wicklund who were both Charter members of The Grantsburg Rod and Gun Club. They passed since the last season. If you had the opportunity to meet these individuals then you were "truly lucky"!!! What a pair! I, myself will miss them tremendously! Classy guys that they were they both had charm and determination for the game. To their way of thinking it was really more than shooting a gun; it's the fellowship that is imparted every time a member interacts with another. Friendly and considerate were the two gentlemen I speak of. Not only were they good at the sport, but they were considerate and "gentlemanly". We were ALL lucky to have known these two! Miss you guys! A LOT!
